Deadline: 2/28/07 5pm

To whom it may concern:

I am writing to provide the comments of the San Francisco-Bay Area Physicians for Social Responsibility (SF-PSR) on the Proposed Methylmercury Objectives for Inland Surface Waters, Enclosed Bays, and Estuaries in California. SF-PSR concurs with and joins in the February 27, 2007 comments of the Natural Resources Defense Council. Thank you for this opportunity to add our organizational support to this issue.

Sincerely,
