

Statewide Mercury Control Program for Reservoirs

List of Mercury-Impaired Reservoirs to be Included in Phase 1

This table lists the mercury-impaired reservoirs to be included in Phase 1 of implementation. In Phase 2, reservoirs will be added to the program in successive waves as they are newly identified as impaired by mercury.

“303(d) List” indicates year included as mercury-impaired on the Integrated Report (Clean Water Act Section 303(d) List / 305(b) Report) [\[Link\]](#).

“Future” indicates data are available that show mercury impairment, but data have not yet been included in the Integrated Report.
