
State Water Resources Control Board

Instructions for Participating in the May 28, 2020 Staff Workshop for Proposed Draft Statewide Suction Dredge Mining Permit

There is no physical meeting location. The Workshop will take place by webcast and will be recorded.

Below are Workshop participation options:

1. **View Workshop Only.** Participants will be able to view and listen to the Workshop. Simply click on the State Water Resources Control Board's webcast and video page at <https://video.calepa.ca.gov/>.
2. **View Workshop and Ask Questions.** Participants will be able to view and listen to the Workshop and ask questions. Questions may be submitted prior to or during the Workshop. To submit questions:
 - Email **suctiondredgeminingNPDES@waterboards.ca.gov**
 - Subject line: Draft Suction Dredge Mining Permit Question
 - Please provide the following information:
 - Your name,
 - The last three (3) digits of your phone number,
 - Who you represent (for example, yourself, another person, or an organization),
 - Your question(s),
 - Whether you would like to ask your question yourself (a microphone will be needed) or have State Water Board staff read the question aloud for you.
- You will receive an email response with the Zoom link and password to join the online Workshop.
- The meeting facilitator will admit you into the meeting when it is your turn to ask your question.
- Once you have asked your question (maximum 3 minutes), you will be removed from the Zoom meeting and you may continue viewing and listening to the Workshop via the webcast link provided above.

E. JOAQUIN ESQUIVEL, CHAIR | EILEEN SOBECK, EXECUTIVE DIRECTOR

Note: You will not be able to participate in the Zoom meeting until you receive an email with the link and password. This means that until you have entered your link and password and are admitted to the meeting by the host, you may only watch the webcast available at:
<https://video.calepa.ca.gov/>
