Instructions for Participating in Public Workshops
for
Suction Dredge Mining Mapping Application Demonstration

State Water Board staff will be conducting two virtual public workshops to demonstrate the draft Suction Dredge Mining mapping application on the following dates:

- Virtual Workshop #1: Wednesday, January 13, 2021 1:00pm to 4:00pm
- Virtual Workshop #2: Thursday, January 28, 2021 9:00am to 12:00pm

For each scheduled workshop, participants are provided the following two participation options:

**Option 1:** Participate in the Zoom meeting and be able to ask questions and provide feedback to State Water Board staff during the workshop, or

**Option 2:** View and listen to the public workshop through the webcast. This option will not allow participants to ask questions or provide feedback to State Water Board staff during the workshop.

To participate in **Option 1** (the Zoom meeting), please complete and submit the following registration form **by midnight of the day prior to the scheduled workshop**: Suction Dredge Mining Mapping Application Workshop Registration Form (office.com).
