

April 6, 2010
Wilson Yee
USEPA

Thank you for the opportunity to review the WQMP. I would like to concur with Ms. Bowman's comments attached.

Adding to Ms. Bowman's modifications to the Objectives and Policy section of the Plan, I would like to add the statement near the bottom of the section 1 of Ms. Bowman's comments: "These objectives are the performance standards to which the Water Boards hold the Forest Service accountable."

Thanks,

Wilson Yee

Tribal Comments on WQMP Objectives and Waiver Transparency

Gaylon,

Attached are the tribal comments on the WQMP objective and also how to increase waiver transparency.

Thanks for this opportunity,

Crystal Bowman
