SUGGESTED READING IN PREPARATION FOR OPERATOR CERTIFICATION EXAMINATION

Following is a list of references from which study material may be selected by applicants for operator certification examinations. Each reference is subject to revision and the most current version should be used for study. Other references covering similar subjects may be used at the discretion of the applicant. The State Water Resources Control Board does not endorse specific reference materials.

Grades I and II

1. "Operation of Wastewater Treatment Plants, Volumes I and II," Kenneth Kerri, Office of Water Programs, California State University, 5000 J Street, Sacramento, CA 95819-6025.

2. Title 23, California Code of Regulations, Division 3, Chapter 26, Section 3670 et seq., "Wastewater Treatment Plant Classification, Operator Certification, and Contract Operator Registration Regulations," State Water Resources Control Board, Office of Operator Certification, P.O. Box 944212, Sacramento, CA 94244-2120.

Grades IV and V

1. All of the above.

3. "Industrial Waste Treatment**

Grade III

1. Both of the above.

2. Advanced Waste Treatment*

3. Pretreatment Facility Inspection*

4. WEF Manual of Practice:
   No. 1, "Safety and Health in Wastewater Systems,"
   No. OM-9, "Activated Sludge"
   No. 11, "Operation of Municipal Wastewater Treatment Plants"

* See Grades I and II, No. 1 for author and address.

** See Grade III, No. 4 for author and address.
