

Construction General Permit Trainers of Record,

We invite you to save the date to attend the CGP Trainers of Record Feedback Forum on February 28, 2023. The forum is an opportunity for Trainers of Record to provide input on the Reissuance Review, including updating the curricula for the QSD/QSP training courses. The forum will be provided in a hybrid-virtual format with a physical meeting location at the CalEPA building in Sacramento. If possible, we encourage you to attend in-person to support the open discussion.

Stay tuned for the draft agenda and details on how to register.
