

Decertified Trash Full Capture Devices (Updated September 2021)

In accordance with the Trash Provisions,¹ the State Water Resources Control Board (State Water Board) Executive Director has authority to maintain a list of Certified Trash Full Capture Devices. In accordance with the Trash Provisions Full Capture System definition, Certified Trash Full Capture Devices must trap all particles 5-millimeters or greater from the peak flow generated by a one-year, one-hour storm event. In addition, the Executive Director requires that each device be approved by the Mosquito Vector Control Association of California.

As of the effective date displayed in the *Date Decertified* column, the devices in the table below are decertified and shall no longer be installed. However, the Executive Director or Designee may allow decertified devices installed prior to the date of decertification to continue operation as long as they are maintained to meet the Full Capture System definition.

A decertified device may be recertified upon submittal of an updated application/fact sheet that complies with the current StateWater Board *Trash Treatment Control Device Certification and Fact Sheet Updated Requirements*.

Owner or Manufacturer	Device Name	Identification	Date Decertified	Reason Decertified
Gentile Family Industries	Wavy Grate Trash Catcher	GFI-1	04/01/16	No longer in business.
West Coast Storm, Inc.	Connector Pipe Screen	WCS-1	04/01/16	No longer in business
Xeripave, LLC	Storm Grate Pavers		04/01/16	Removed upon request from the San Francisco Bay Regional Board because pavers are not full capture devices

¹ The [Trash Provisions](https://www.waterboards.ca.gov/water_issues/programs/trash_control/documentation.html) include Appendix D to the Ocean Plan and Appendix E to the Water Quality Plan for Inland Surface Waters, Enclosed Bays, and Estuaries of California, which are found at the following link https://www.waterboards.ca.gov/water_issues/programs/trash_control/documentation.html

Owner or Manufacturer	Device Name	Identification	Date Decertified	Reason Decertified
KriStar	Downstream Defender	KS-6HF	04/01/16	KriStar requested removal from list
KriStar	CleansAll	KS-5HF	04/01/16	KriStar requested removal from list
KriStar	Swirl -Flo Screen Separator	KS-9HF	04/01/16	KriStar requested removal from list
BioClean Environmental Services, Inc.	Square Grate Inlet Skimmer Box	BC-1	10/01/18	BioClean requested removal from list
BioClean Environmental Services, Inc.	Round Curb Inlet Basket	BC-2	10/01/18	BioClean requested removal from list
BioClean Environmental Services, Inc.	Nutrient Separating Baffle Box	BC-5HF	10/01/18	BioClean requested removal from list
United Stormwater, Inc.	Drop-In Grate Inlet Catchbasin Trash Screen	USW-5	12/15/18	State Water Board determined trash screen does not trap trash in accordance with Trash Provisions
Bio Clean® Environmental Services, Inc.	Catchbasin Connector Pipe Trash Screen	BC-4	01/27/20	BioClean requests removal from the list
Oldcastle Infrastructure (formerly KriStar)	Dual Vortex Separator Hydrodynamic Separator	OI-7HF	05/01/21	Oldcastle requested removal from list

Owner or Manufacturer	Device Name	Identification	Date Decertified	Reason Decertified
Oldcastle Infrastructure (formerly KriStar)	FloGard Perk Filter Radial Cartridge Filter	OI-8HF	05/01/21	Oldcastle requested removal from list
Oldcastle Infrastructure (formerly KriStar)	Nettech Gross Pollutant Trap, In Line Trash Screen and Net	OI-10HF	05/01/21	Oldcastle requested removal from list
CleanWay® Environmental Partners, Inc.	CleanWay Curb Inlet Filtration System	Application 7	08/01/21	Failed to update application as requested by Executive Director
CleanWay® Environmental Partners, Inc.	CleanWay Drop Inlet	Application 8	08/01/21	Failed to update application as requested by Executive Director
StormTrap® Modular Concrete Stormwater Management	Inline Netting Trash Trap Inline Pipe Net with Trash Screen	FCT-1HF	08/01/21	Failed to update fact sheet as requested by Executive Director
StormTrap® Modular Concrete Stormwater Management	End of Pipe Netting Trash Trap – End of Pipe Net with Trash	FCT-2HF	08/01/21	Failed to update fact sheet as requested by Executive Director
