## SMARTS Registration for California Board of Professional Engineers, Land Surveyors and Geologists (CBPELSG) Licensed QSD Training Program:

1. Log into [SMARTS](https://smarts.waterboards.ca.gov) (<https://smarts.waterboards.ca.gov>)

Browser Requirements: SMARTS best works with Google Chrome or Microsoft Edge. Use of other browsers may cause unexpected errors.

2. From the main menu, select "Account Management".

3. Select “CBPELSG QSD/QSP”.

4. Select one of the three options listed. Users can either create 1) a new CBPELSG QSD record, 2) claim an existing CBPELSG QSD record, or 3) claim an existing CASQA QSD record.

If claiming an existing CBPELSG or CASQA QSD record, search for your record and then click “Claim”:

The screenshot shows the 'Search QSD/QSP' form. It has two input fields for 'Last Name' (containing 'Shimizu') and 'First Name'. Below these is a 'Search for Existing Records' button. Below the button is a table with the following columns: 'First Name', 'Last Name', 'Address', 'CBPELSG License No.', and 'Claim Record'. The table contains one row with the following data: 'Matthew', 'Shimizu', '1001 I Street Sacramento CA 95820', '12345'. The 'Claim Record' column for this row contains a 'Claim' button, which is circled in red. At the bottom left of the form is a 'Back' button.

**NOTE:** If an existing CASQA QSD record does not display, you must register on CASQA and complete the necessary QSD training to receive your certification.

**NOTE:** If an existing CBPELSG QSD record does not display, you must create a new CBPELSG QSD record by following Step 5 below.
