1515 Clay Street, Suite 1400  
Oakland, California 94612

SUBJECT: 2008/2009 Stormwater Annual Report for Facility WDID #201I002421

In accordance with the terms of the *California Industrial Stormwater General Permit*, Berkeley Lab Submits it's 2008/2009 Annual Report for Stormwater Discharges Associated with Industrial Activities. Included in this submission are all forms and supporting documentation required for the report. If you have any questions about the report, please contact Ron Pauer at 510-486-7614.

*"I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those person directly responsible for gathering information, this information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations."*

Sincerely,

Howard Hatayama, Director  
Environment, Health & Safety Division
