Region 3 – Regional Water Quality Control Board Data Submissions and Corrections for the 2004 303(d) list

1) Describe the reason(s) the listing is inappropriate.

This submission is a request to correct the name of a listed waterbody. The incorrect name of the listed waterbody is Rider Gulch Creek. This name should be corrected to Rider Creek. Attached figures included a photocopy of USGS 7.5-minute quadrangle map, Loma Prieta, California (1996) and a GIS figure that was derived from the CALWTR3 dataset.
