To Whom It May Concern:

I, Kevin Jontz, do hereby certify that I am trained, certified, and qualified to perform bioassessment monitoring, and that the procedures followed were in accordance with SWAMP protocols outlined in the document *Standard Operating Procedures for Collecting Benthic Macroinvertebrate Samples and Associated Physical and Chemical Data for Ambient Bioassessments in California February 2007*. I was trained by Jim Harrington from the Department of Fish and Game and Erick Burres from Surface Water Ambient Monitoring Program in bioassessment field data collection. The data provided is full, true, and correct to the best of my knowledge.
