## Update to the Clean Water Act Section 303(d) List — On Receiving Future Notices —

The accompanying letter from the State Water Resources Control Board describes the first step in the process of updating the Clean Water Act Section 303(d) list [303(d) list] – a request for water quality data. The California Regional Water Quality Control Board, Central Valley Region (Central Valley Water Board) is the lead agency for updating the 303(d) list for surface water in our region.

We anticipate sending out notices during the 303(d) list update process for any public meetings that will be held and for any documents that will be made available to the public. In order to continue receiving notices regarding this issue, interested parties must notify the Central Valley Regional Board by 1) subscribing to the electronic mailing list **OR** 2) filling out and returning the form below. **NOTE - Persons wishing to subscribe to the electronic mailing list should not submit the form, but instead, should sign up through our website. Please fill out the required information on the following web page and click on the “Subscribe” button on the right side:**
