Delta Regional Monitoring Program

QAPP Reference

Per Section 6.1.4 of the Listing Policy, major monitoring programs in California are considered of adequate quality and therefore are exempt from the requirement to submit a Quality Assurance Project Plan (QAPP). The Delta Regional Monitoring Program (Delta RMP) QAPPs meet the requirements of the Listing Policy as a major monitoring program and the applicable QAPPs are not required to be submitted for the Integrated Report. Copies of past, current, and future Delta RMP QAPPs are/will be available on the [Delta RMP website](#).
