Subject: CWA 305(b)/303(d) Integrated Report - Update 11/12/09

This is a message from the California Regional Water Quality Control Board, San Diego Region 9.

To All Interested Parties:

The Regional Board intends to convene public hearings for our Draft 2008 Update of the Regional 305(b)/303(d) Integrated Report (Draft Integrated Report) at the Board meetings on November 18, 2009 and December 16, 2009.

At this time, the public hearings for the Draft Integrated Report are "NOT time certain" but are scheduled to be held at a time during the following Board meetings:

NOVEMBER 18, 2009

Wednesday Board Meeting starts at 9:00 a.m.

The purpose of the November public hearing is to allow our Regional stakeholders an opportunity to provide the Board with verbal comments on the Draft Integrated Report.

Due to the large volume of comments received, revisions to the Draft Integrated Report and Response to Comments is ongoing. A revised version of the Draft Integrated Report and Response to Comments will NOT be presented at this meeting. Please see Agenda Item #10, Supporting Document 14 for the project timeline.

DECEMBER 16, 2009

Wednesday Board Meeting starts at 9:00 a.m.

The purpose of the December public hearing is to allow stakeholders an opportunity to provide limited verbal comments on revisions to the Integrated Report that may be done as a result of responding to public comments.

Both meetings are scheduled to be held at the Water Quality Control Board, Regional Board Meeting Room, at 9174 Sky Park Court, San Diego, California (Office TEL: 858-467-2952).

Our goal is for our Regional Board to adopt the Draft Integrated Report during the agenda item on December 16, 2009. The State Water Resources Control Board will further consider the San Diego Region Integrated Report during their consideration of the statewide Integrated Report in early 2010. The public will also have an opportunity to comment on the statewide 305(b)/303(d) Integrated Report during that process.

If you have an questions regarding the San Diego Region public hearings please contact Mr. Alan Monji (TEL 858-637-7140 or Email amonji@waterboards.ca.gov) or Ms. Cynthia Gorham-Test (TEL 858-467-2957 or Email ctest@waterboards.ca.gov). As a reminder, our office is closed the first three Fridays of every month.

Sincerely
