### 2002 CLEAN WATER ACT SECTION 303(d) LIST

The State Water Resources Control Board (SWRCB) Staff has posted a draft final version of the 2002 Clean Water Act section 303(d) list of water quality limited segments and the accompanying staff report. The documents are posted at:

<http://www.swrcb.ca.gov/303dupdate.html>

The staff report provides a summary of the recommended list changes, SWRCB staff analysis of all available data and information, and the responses to the comments received by December 6, 2002. In order to provide interested parties additional time to review the revisions, the SWRCB has rescheduled consideration of adoption of the List for February 4, 2003. At least 10 days prior to the meeting, you will be notified of the exact time and place of this meeting.

Should you wish to discuss the section 303(d) list or this schedule, please call me at (916) 341-5560.

Sincerely,

Craig J. Wilson, Chief
