Mr. Stan Martinson
Chief of the Division of Water Quality
State Water Resources Control Board
1001 I Street Sacramento, CA 95814
P.O. Box 100 Sacramento, CA 95812

Dear Mr. Martinson:

Enclosed, are photographs illustrating the Pelican Point and Muddy Canyon Creeks for your reference. They were inadvertently not included with the correspondence received by you on February 28th, from the Newport Coast Community Association.

Please feel free to contact me if you have any questions.

On behalf of the Board of Directors,

Melodie D. La Mont, CCAM
Executive Director
Merit Property Management, Inc.

DWQ Received

APPENDIX

Photos of Sampling Locations – These photos of Pelican Point Creek and Muddy Creek show how the Coastal Creeks cannot reasonably be classified as having recreational or municipal water supply beneficial uses due to thick vegetation and low water levels. In some photos, a shoe or boot is used to provide scale.
