

**COMMENT LETTER 40 - SONOMA COUNTY ALLIANCE INFRASTRUCTURE
COMMITTEE, JOHN A. MACY ET. AL. (SEPTEMBER 24, 1996),
RECEIVED SEPTEMBER 24, 1996**

Response to Comment 40-1

Comment Summary: The comment states that the Sonoma County Alliance has evaluated the Draft EIR/EIS and finds that the document is adequate in its analyses of alternatives and impacts and in the range of feasible mitigation measures presented. The comment noted that the public was given the opportunity to participate and comment throughout the process, and that these concerns were addressed to an appropriate degree.

The EIR/EIS authors acknowledge and appreciate the comment's statement that the Draft EIR/EIS provides appropriate CEQA analysis for decision makers.

Response to Comment 40-2

Comment Summary: The comment encourages the City of Santa Rosa to respond to the comments on the Draft EIR/EIS received during the public review period.

As part of the EIR/EIS process, comments received during the public review period are addressed and responses prepared.
