

**COMMENT LETTER 302 - SUE RUTHERFORD (OCTOBER 7, 1996), RECEIVED
OCTOBER 8, 1996**

Response to Comment 302-1

Comment Summary: The comment provides a position statement against discharging treated wastewater to the Russian River, and in support of agricultural reuse with small storage dams. .

Refer to Master Response 14 regarding small storage reservoirs. Refer to Master Response 2 regarding opinions about Project selection. Both Master Responses are located in Section 6.2 of this document.
