## DRAFT EIR/EIS COMMENT FORM

DUE OCTOBER 7, 1996 4:30 PM

Name: LEON R. BECKDate: 9/24/96Address: 11395 VALLEY FORD ROAD

CITY OF SANTA ROSA

P.O. Box 1678

Santa Rosa, CA 95402

City: BLOOMFIELD State: CA Zip: 94958-9761

OCT 07 1996

Phone: (707) 795-8601DEPARTMENT OF  
COMMUNITY DEVELOPMENT**How to use:**

Please fill out the above and provide your written comments about the Draft EIR/EIS in the space provided below. You may add additional pages if needed. Please write legibly. If you prefer to type your comments on a separate page, please attach to this form. Where possible, please reference the page to which the comment refers. When you have completed your comments, please fold the form so the City's address is showing, tape the edges together, (Do not use staples), and place in the mail.

LADIES AND GENTLEMEN,

THESE ARE MY REMARKS, GIVEN TODAY,  
AMMENDED FOR CLARIFICATION.

WE, MY WIFE, NADINE D. BECK, OUR FRIENDS 001  
AND NEIGHBORS, WANT THE ESTEROS TO  
BE FREE OF ANY THREAT OF WASTE WATER  
CHANGING THE ESTEROS FRESHWATER-SALT  
WATER MIX. FOR REASONS GIVEN AT PRIOR 002  
HEARINGS, ANY CHANGE IN THE ESTEROS WATER  
MIX, AS IT EXISTS, AND CHANGES NATURALLY  
WITH THE SEASONS, WILL BE HARMFUL TO THE  
LIVING THINGS IN THE ESTEROS, AND TO THE  
PRESENT LIVING THINGS IN BODEN + TOMALES  
BAYS. THE WASTE WATER HAS TOO MUCH OF TOO  
(OVER-PLEASE)

*Santa Rosa* Subregional Long-Term Wastewater Project

002 (cont.)

*MANY CHEMICALS IN IT. YOUR OWN STUDIES  
PROVE IT. YOU HAVE NO REASONABLE MITIGATION.*

*(SEE ADDITIONAL PAGES  
NUMBERED 2-3-4+5.)*

DRAFT EIR/EIS COMMENTS.

9/24/94 96  
PAGE 2.

NADINE AND I, FROM THE START, HAVE CALLED YOUR ATTENTION TO THE RECORDED BLOOMFIELD FAULT. IT LIES DIRECTLY UNDER YOUR PROPOSED DAM SITE ON THE TRASH PROPERTY.

003

THE BLOOMFIELD FAULT RUNS ROUGHLY WESTERLY - PAST BLOOMFIELD. IT COULD ALSO THREATEN THE DAM SITE FOR THE RESERVOIR ON THE BRIGGS RANCH.

EITHER DAM WRECKED BY MOVEMENT OF THE BLOOMFIELD FAULT, LIKE THE LA LOMA PREATA FAULT, COULD FLOOD THE CREEKS AND DESTROY THE ESTEROS FOR AN UNMEASURABLE FUTURE.

THIS IS UNACCEPTABLE.

MOTHER NATURE/THE GOOD EARTH HAS NO RESPECT FOR ENGINEERS CALCULATIONS. AND NOW, ESPECIALLY, AS THIS DRAFT EIR/EIS IS BASED ON STUDIES AND PROPOSALS TO MITIGATE THE DAM CONSTRUCTION THAT THE STAFF HAS BEEN TOLD WERE TOO SHALLOW AND INADEQUATE.

004

DRAFT EIR/EIS COMMENTS. 9/24/96  
Page 3

THE DRAFT EIR/EIS STATES THE  
POTENTIAL FOR DAM FAILURE IS  
EXTREMELY REMOTE.

005

THE SOIL IS A MIX OF SANDY  
LOAM, CLAYS, AND ROCKS - CALLED  
FRANCISCAN CHEST. THE DRAFT REPORT  
STATES THE DAM WOULD BE ON  
BED ROCK.

HOW MANY MILES DOWN TO STABLE  
BED ROCK ON THIS FAULT?

WE AGAIN STATE, THIS STUDY  
IS INADEQUATE REGARDING THE SITING ON  
OR NEAR THE BLOOMFIELD FAULT.

NEXT DAMS ARE BUILT WITH  
SPILLWAYS. THE REASON FOR INSTALLING  
SPILLWAYS IS TO RELEASE THE OVER  
FLOW, TO SAVE THE DAM! THESE  
DAM SPILLWAYS RELEASE YOUR WASTE  
WATER INTO OUR VALUABLE ESTEROS,  
CHANGING THE ESTEROS SOLUTION  
COMPOSITION. THESE ESTEROS MUST  
NOT BE INUNDATED WITH YOUR WASTE  
OVERFLOW.

006

YOU WILL HAVE SPILLWAYS WITH  
YOUR DAM SO TO PROTECT THE ESTEROS  
YOU MUST MOVE YOUR DAMS OUT OF

DRAFT EIR/EIS COMMENTS 9/24/96  
Page 4.

THE WEST COUNTY AREA.

006 (cont.)

I TOLD YOU BEFORE, THE FRIENDS  
OF THE ESTEROS DID NOT WANT TO  
SUE YOU ON THE LAST E.I.R. WE  
TOLD YOU IT WAS NOT SATISFACTORY,  
AND IN DETAIL. WE WON IN COURT  
ONLY BECAUSE YOU DIDN'T LISTEN  
TO US.

007

NOW YOU HAVE SPENT A LOT OF  
MONEY TO MAKE THIS STUDY DEFENSIBLE  
IN COURT.

JUST SITTING AND LISTENING IS  
NOT ENOUGH. YOU MUST HEAR WHAT  
WE SAY AND PAY ATTENTION TO US.

I IMPLORE YOU - READ WHERE YOUR  
STAFF CONTINUES TO IGNORE US BY  
ANSWERING US WITH THE PHRASE =

"COMMENTS NOTED."

COMMENTS NOTED IS NOT ENOUGH!

OTHERS HAVE DIRECTED YOUR ATTENTION  
TO FAULTS IN THIS EIR/EIS WITH WHICH NADWIS  
AND I AGREED.

008

I CLOSE, DIRECTING YOUR ATTENTION

DRAFT EIR/EIS COMMENT 9/24/96  
 PAGES.

TO ONLY THREE OF ITS MANY FAULTS.

008 (cont.)

FIRST = SELECTING A FAULTY SITE

009

SECOND = SPILLWAYS TO SPILL OVERFLOW  
 INTO THE ESTUARDS - THE  
 OVERFLOW IS NOT ACCEPTABLE.

010

THIRD = THE INADEQUATE RESPONSE  
 TO THOSE OF US WHO USE OUR  
 TIME AND ENERGY TO TRY TO  
 HELP YOU WITH "COMMENT NOTED."

011

THANK YOU  
 Steve Beck.
