DEPARTMENT OF
COMMUNITY DEVELOPMENT

We are the family that owns and operates Burke's Canoe Trips which is located one mile north of Forestville on the Russian River. 001

We feel that the EIR is inadequate in many areas. We believe the EIR doesn't adequately address health issues, issues of public perception, and the undeniable issue of loss of business which we would clearly suffer if any increase in discharge were ultimately allowed. 002 003 004

Our question is what is the city of Santa Rosa prepared to do for us in terms of compensation of lost revenue in the event of an increase of discharge and all of its ramifications. We want you to be aware that we are prepared to use any means at our disposal to fight on any front the idea of any added increase into our river. 005 006

Sincerely,

Linda Burke
