
PUBLIC COMMENTOR 241 - CHARLIE CARSON, SEPTEMBER 24, 1996

252

I'm Charlie Carson, home builders association. This is just a quick statement to be given in lieu of Craig Lawson, past president for home builders association of Northern California. And the statement is that given the time frame that we have had here, the public has had an opportunity to participate in the review of this and to offer their comments. There has been ample time, given the format here for reviewing this document and for your receiving these comments for the EIR/EIS, and we encourage its certification so that we can take the next step in the selection process for the alternatives, and so this whole procedure can commence on a timely basis. Thank you.

Mayor Wright:

Thank. Bob Anderson, followed by Ann Dubay, followed by Patty Rogers.
