re: Draft Environmental Impact Report/Environmental Impact
Statement: Santa Rosa Subregional Long-Term Wastewater
Project, July 1996

Dear Ms. Meredith;

Thank you for submitting the three volumes of this document for my review. The Draft EIR/EIS demonstrates that the City of Santa Rosa has met their cultural resource obligations under the National Historic Preservation Act of 1966 and the California Environmental Quality Act. There was one typing error that I noted: Page 4.15-26, last paragraph, third line beginning "Table 4.15-5" should read "Table 4.15-6." Thank you for your continued concern for our cultural resources. 001 002

Sincerely,

Leigh Jordan
