

A detailed topographic map of the Cotati area. The map shows the Petaluma River flowing through the region, with Cotati situated along its banks. Key features labeled include Meadowlane Ponds (Existing), Laguna WWTP (Existing), Existing Agriculture Areas, Rohnert Park, and the cities of Cotati and Petaluma. The map also shows the locations of Estero Americano and Estero de San Antonio. The terrain is characterized by numerous contour lines, indicating varying elevations. The map is a black and white line drawing, typical of technical or planning documents.
