

PHASE II - SITE CLOSEOUT (SC) BUDGET REQUESTS

SITE SPECIFIC WELL ABANDONMENT INFORMATION

In order to accurately review and fund your Site Closeout budget to complete claim closure, the Fund needs the following site specific well abandonment information listed below:

If all the wells at the site have been properly and permanently decommissioned, *and you have submitted and received your final reimbursement request from the Fund*, you do not need to send this information to the Fund.

Activity	# or \$
Number of site wells to abandon	
Total cumulative feet of well to abandon (Add all site well total depths together)	
Method to be used for well abandonment	
Total cost of permits	
Cost to complete removal of remaining waste	
Notification activities cost	
Regulatory oversight cost to close	
Other site closeout activities, and individual costs – List below	
GRAND TOTAL - \$ needed to close site
