1/1/2026**

Storage Fee (cents per gallon stored)

STATE WATER RESOURCES CONTROL BOARD
REGIONAL WATER QUALITY CONTROL BOARDS

*Fund balance does not include commitments for Priority A-C claims. Priority D commitments are included for FY 12/13 and forward. Per H&SC 25299.52(c)(1), 14% of claim funds available must be committed to Priority D claims each fiscal year. Priority D claims expended a minimum of 14% in FYs 11/12 and prior. Fund demand includes active and Priority List claims.

**Projected figures.

***SB 445 (Chapter 547, Statutes of 2014) increased the assessment on petroleum stored in USTs from \$0.014 per gallon to \$0.02 per gallon (an increase of 6 mills). The fee increase was effective on 01/01/2015 and will remain in effect until 12/31/2025. Of the 6 mil storage fee increase, 3 mils must be allocated among three accounts: (1) Replacing, Removing, and Upgrading Underground Storage Tank (RUST) program, (2) Site Cleanup Account Program (SCAP), and (3) School District Account (SDA).
