## State Water Resources Control Board

January 13, 2015

Southdown Concrete Products, Inc.  
Attention: Mr. Ron Midkiff  
1201 West Gladstone Street  
Azusa, CA 91702-5142

Dear Mr. Midkiff:

UNDERGROUND STORAGE TANK CASE CLOSURE FOR TRANSIT MIXED CONCRETE (SOUTHDOWN CONCRETE), 8960 NORTH BRADLEY AVENUE, LOS ANGELES, LOS ANGELES COUNTY

This letter confirms completion of a site investigation and remedial action for the underground storage tanks (USTs) case formerly located at the above-described location (Site). This case has the following identifying numbers:

- GeoTracker No. T0603772442
- City of Los Angeles Fire Department Case No. TTXS0001754

Thank you for your cooperation throughout this investigation. Your willingness and promptness when responding to our inquiries concerning the former USTs are greatly appreciated.

Based on information in the above-referenced case file and with the provision that the information provided to this agency was accurate and representative of Site conditions, this agency finds that the investigation and corrective action carried out at your Site is in compliance with the requirements of subdivisions (a) and (b) of section 25296.10 of the Health and Safety Code and with corrective action regulations adopted pursuant to section 25299.3 of the Health and Safety Code and that no further action related to the petroleum release(s) at the Site is required. This notice is issued pursuant to subdivision (g) of section 25296.10 of the Health and Safety Code.

Claims for reimbursement of corrective action costs submitted to the UST Cleanup Fund more than 365 days after the date of this letter or issuance or activation of the Fund's Letter of Commitment, whichever occurs later, will not be reimbursed unless one of the following exceptions apply:

- Claims are submitted pursuant to section 25299.57 of the Health and Safety Code, subdivision (k) (reopened UST case); or
- Submission within the time frame was beyond the claimant's reasonable control, ongoing work is required for closure that will result in the submission of claims beyond that time period, or that under the circumstances of the case, it would be unreasonable or inequitable to impose the 365 day time period.

FELICIA MARCUS, CHAIR | THOMAS HOWARD, EXECUTIVE DIRECTOR

If you have any questions regarding this matter, please contact Mr. George Lockwood at (916) 341-5752 or [George.Lockwood@waterboards.ca.gov](mailto:George.Lockwood@waterboards.ca.gov).

Sincerely,

Victoria A. Whitney, Deputy Director  
Division of Water Quality
