UST CLEANUP FUND PROGRAM UPDATE: ELECTRONIC INVOICING – FIRST REIMBURSEMENT REQUESTS

(March 2, 2015)

The GeoTracker CUF Invoicing portal has been modified so that beginning March 2, 2015, claimants who incurred eligible costs prior to issuance of their Letter of Commitment (LOC) are able to electronically submit **first RRs only** for work performed spanning multiple fiscal years. All other rules that are outlined in the User Guide still apply. Electronic submittals of subsequent RRs continue to be limited to costs incurred during a single fiscal year.

For assistance, see the box below with links to guidance documents and UST Cleanup Fund Payments contact information.
