ORDER GRANTING RECONSIDERATION
OF DECISION 1558

BY THE BOARD:

Objections to and Petition for Reconsideration of Decision 1558 has been filed by the U. S. Department of Interior Solicitor on behalf of Protestant U. S. Water and Power Resources Service. Letters of objection from Protestant Orland Unit Water Users' Association have also been received.

1. The petition and objections raise substantial issues which provide basis for reconsideration as set forth in Section 737.1, Title 23, California Administrative Code.
2. The Petition for Reconsideration should be granted on the grounds that substantial issues are raised.
3. This order to grant reconsideration does not imply any decision of the Board on the merits of the objections and issues raised. It is solely a decision that the issues raised are sufficiently substantial to merit reconsideration.
4. The letters of objections from Orland Unit Water Users' Association should be considered as petitions for reconsideration and are hereby characterized as such.

ORDER

1. Decision 1558 shall be reconsidered.
2. Reconsideration of the decision will be based on the existing record, the petitions and any response received from applicant within 30 days of adoption of this order.
