ORDER WR 2017-0015-DWM

ORDER APPROVING SETTLEMENT AGREEMENT

In the Matter of Failure to File a Supplemental Statement of Water Diversion and Use for 2015 by

Ray Walker
S017477

SOURCE: Steamboat Slough

COUNTY: Solano

BY THE DELTA WATERMASTER¹

On May 31, 2017, the State Water Resources Control Board (State Water Board), acting through the Delta Watermaster, issued an Administrative Civil Liability Complaint (ACL Complaint) to Ray Walker (Mr. Walker) for failure to file a Supplemental Statement of Water Diversion and Use for 2015 (Supplemental Statement) by the July 1, 2016 deadline. The ACL Complaint alleged that Mr. Walker was in violation of Title 23, section 920 of the California Code of Regulations, and proposed civil liability of \$12,500 pursuant to Water Code section 5107.

The ACL Complaint provided a conditional settlement offer, under which Mr. Walker could avoid imposition of the proposed liability by (1) filing the required Supplemental Statement through the electronic Water Rights Information Management System (eWRIMS); (2) remitting payment of \$500; and (3) submitting a signed form indicating acceptance of the conditional offer and waiver of the right to a hearing and reconsideration of the proposed ACL Complaint (Acceptance and Waiver).

Mr. Walker filed his Supplemental Statement, remitted payment of \$500, and signed and executed the Acceptance and Waiver form. By doing so, Mr. Walker has accepted the conditional settlement offer provided by the ACL Complaint.

Based on the foregoing acceptance, I hereby approve the conditional settlement pursuant to my statutory and delegated authority. This approval shall not limit the authority of the Delta Watermaster to initiate enforcement action for any violations not specified in the ACL Complaint, or for violation of the terms of the conditional settlement. This Order is subject to reconsideration under Water Code section 1122.
