1200 Grand View Drive
Napa, California 94550

As of July 21, 1964, he has made proof of the satisfaction of the State Water Rights Board of a right to the use of the water of three unnamed streams in Napa County tributary to Napa River

for the purpose of irrigation, domestic, and stockwatering uses under Permit 12096 of the State Water Rights Board and that said right to the use of said water has been perfected in accordance with the laws of California, the Rules and Regulations of the State Water Rights Board and the terms of the said permit; that the priority of the right herein confirmed dates from March 16, 1959, and that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited to the amount actually beneficially used for said purposes and shall not exceed forty-three (43) acre-feet per annum to be collected from about December 1 of each year to about April 1 of the succeeding year as follows:

(1) 17 acre-feet per annum. The maximum withdrawal in any one year has been 1/4 acre-feet.
(2) 8 acre-feet per annum, all of which has been withdrawn in one year.
(3) 18 acre-feet per annum. The maximum withdrawal in any one year has been 17 acre-feet.

The points of diversion of such water are located:

(1) North two hundred (200) feet and east one thousand six hundred (1600) feet from NW corner of projected Section 21, T5N, R4W, MDB&M, being within SBL of SW¼ of projected Section 16, T5N, R4W, MDB&M.

(2) North two hundred fifty (250) feet and west three hundred fifty (350) feet from NW corner of projected Section 21, T5N, R4W, MDB&M, being within SBL of SBL of projected Section 17, T5N, R4W, MDB&M.

(3) South five hundred fifty (550) feet and west four hundred (400) feet from NW corner of projected Section 21, T5N, R4W, MDB&M, being within NW¼ of NW¼ of projected Section 20, T5N, R4W, MDB&M.

A description of the lands or the place where such water is put to beneficial use is as follows:

Stockwatering and domestic use within SBL of SW¼ and SBL of SW¼ of projected Section 16; SBL of SBL of projected Section 17; NW¼ of NE¼ of projected Section 20; NW¼ of NW¼ and NE¼ of NW¼ of projected Section 21; and irrigation of 1/4 acres within NE¼ of NW¼ and 1 acre within SBL of NW¼ of projected Section 21, all within T5N, R4W, MDB&M.

All rights and privileges under this license including method of diversion, method of use and quantity of water diverted are subject to the continuing authority of the State Water Rights Board in accordance with law and in the interest of the public welfare to prevent waste, unreasonable use, unreasonable method of use or unreasonable method of diversion of said water.

Reports shall be filed promptly by licensee on appropriate forms which will be provided for the purpose from time to time by the State Water Rights Board.

The right hereby confirmed to the diversion and use of water is restricted to the point or points of diversion herein specified and to the lands or place of use herein described.
This license is granted and licensee accepts all rights herein confirmed subject to the following provisions of the Water Code:

Section 1627. Each license shall be in such form and contain such terms as may be prescribed by the board.

Section 1629. A license shall be effective for such time as the water actually appropriated under it is used for a useful and beneficial purpose in conformity with this division (of the Water Code) but no longer.

Section 1630. Every license shall include the enumeration of conditions therein which in substance shall include all of the provisions of this article and the statement that any appropriator of water to whom a license is issued takes the license subject to the conditions therein expressed.

Section 1631. At any time after the expiration of twenty years after the granting of a license, the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State, or the rights and property of any licensee, or the possessor of any rights granted, issued, or acquired under the provisions of this division (of the Water Code).

Section 1632. In the event that the State, or any city, city and county, municipal water district, irrigation district, lighting district, or political subdivision of the State so desiring to purchase and the owner of the works and property cannot agree upon the purchase price, the price shall be determined in such manner as is now or may hereafter be provided by law for determining the value of property taken in eminent domain proceedings.
