Dear CWF Hearing Team,

This email confirms that both Barbara Barrigan-Parrilla as Executive Director of Restore the Delta and myself as Policy Analyst authorize Trent Orr and Yana Garcia as our legal representatives.

Hello again.

Thank you for your prompt response. Both Trent and I intend to be added as authorized representatives for Restore the Delta – meaning that we would join Barbara Barrigan-Parrilla and Tim Strohane in that capacity. We are not coordinating cases.

If you could let us know how best to do that, or confirm that you are able to do that for us if that's the case, we'd appreciate it.

Thanks again for your time.

Hello Yana,

I will try to answer your question, but I'm not sure what you are trying to accomplish. Are you trying to add yourself as an additional authorized representative for Earthjustice or are you replacing Trent Orr? An entity can't represent another party. Do you or Trent Orr want to be an authorized representative for Restore the Delta? Are they changing representatives? Or are you trying to coordinate your cases and have one person represent both parties? Please let me know. Thank you,  
Jean

Hello.

I'm looking for some guidance and/or information regarding how best to notify the Board and other Parties of the fact that Earthjustice will represent protestant, Restore the Delta, in portions of the change petition hearing beginning on July 26. My colleague, Trent Orr, who is also an attorney at Earthjustice, filed a Notice of Intent to Appear on behalf of our organization in December, 2015. While I'm not certain that another is necessary, I've attached one here in case it is.

Any information you can provide would be greatly appreciated.

Thank you, in advance, for your time.

Yana
