Ms. Tam Doduc, Chairwoman
California State Water Resources Control Board
1101 I Street
Sacramento, CA 95814

Dear Chairwoman Doduc and Members of the California State Water Resources Control Board:

Re: California WaterFix Hearing Schedule

Barbara Daly/Anna Swenson/North Delta CARES et al hereby join in the request for an extension of time, respectfully 45 days after September 1, 2016, to submit Protestants' exhibits and written summaries of testimony for Part 1B of the California WaterFix Change Petition.

We respectfully request this extension of time in order to help ensure the protection of local and active public participation rights at the State Water Board Protest Hearings. The determination to have the Protestants' exhibits and written summaries of testimony for Part 1B submitted by September 1, 2016, has become extremely restrictive due to the overall scope of cumulative hardship and social justice parameters outlined in detail in the RDEIR/SDEIS for the California WaterFix.

Respectfully Submitted,

Barbara Daly
