Subject: Request for clarification -- SWRCB Exhibits 102 and 103

Dear Hearing Team,

The SWRCB exhibit index lists the following exhibits. Although the Final BDCP / WaterFix EIR/EIS and the Final Phase 2 Technical Report on the Scientific Basis for Alternative Requirements are completed, the exhibits have not been uploaded to the website and are not linked on the SWRCB exhibit index.

SWRCB-102	Final Bay Delta Conservation Plan/California WaterFix Partially Recirculated Draft Environmental Impact Report/Supplemental Draft Environmental Impact Statement (RDEIR/SDEIS) and Comments (Upon Completion).
SWRCB-103	SWRCB. Technical Report on the Scientific Basis for Alternative Requirements – Comprehensive Review of 2006 Water Quality Control Plan for the San Francisco Bay/Sacramento-San Joaquin Delta Estuary Excluding San Joaquin River Flows and Southern Delta Salinity, (Upon Completion).

The Hearing website cites the April 25, 2016 Hearing ruling by the Hearing Officers, which states at the top of page 9:

Please note that hearing team staff will not be providing or posting updates to staff exhibits SWRCB-1 through SWRCB-103. It is incumbent on the parties to determine if a particular document has been superseded or revised.

Please clarify whether the April 25, 2016 ruling means that the Hearing Team will not be posting exhibits SWRCB 102 and SWRCB 103 to the website, and that parties referencing the documents will have to provide their own copies as exhibits.

Thank you

Deirdre Des Jardins
