Dear Hearing Chair Doduc, Hearing Officer Marcus, and California WaterFix Hearing Staff:

Contra Costa County, Contra Costa County Water Agency, and Solano County were unable to upload their joint opening statement before today's noon deadline. On behalf of these agencies, I respectfully request leave to file those agencies' joint opening statement attached to the email to which this letter also is attached. The joint opening statement is dated November 29, 2017, and was finalized and signed yesterday.

Please confirm whether the attached joint opening statement will be accepted for filing, and how or whether I should upload the document. Attached also please find the agencies' amended notice of availability. If you have any questions, please contact me at (925) 674-7824. Thank you for considering this request.

Kind regards,
