Subject: RE: Opening Statement Question - Service List 1st part

Deirdre Des Jardins, Principal at California Water Research, respectfully requests that the Hearing Officers extend the same charity extended to Osha Meserve and grant California Water Research until noon on December 7, 2017 to provide a written opening statement for Part 2.

California Water Research provided testimony based on extensive research for two protestants for Part 2, and has assisted the Chair of the San Joaquin County Audubon Society in presenting testimony on public trust concerns under California Water Research's case in chief. Lack of time precluded preparation of a written opening statement by the deadline of noon on November 30.
