BEFORE THE

CALIFORNIA STATE WATER RESOURCES CONTROL BOARD

HEARING ON THE MATTER OF
CALIFORNIA DEPARTMENT OF WATER
RESOURCES AND UNITED STATES
BUREAU OF RECLAMATION REQUEST
FOR A CHANGE IN POINT OF DIVERSION
FOR CALIFORNIA WATER FIX

CSPA, CWIN, AND AQUALLIANCE’S
JOINDER IN CALIFORNIA WATER
RESEARCH’S MOTION FOR PARTIAL
CONVERSION OF PROCEEDING

The California Sportfishing Protection Alliance, California Water Impact
Network, and AquAlliance (hereinafter CSPA et al.) hereby join the motion filed on January 19, 2018, by California Water Research requesting a partial conversion of Part 2 of the WaterFix change petition hearings before the State Water Resources Control Board.

To prevent unnecessary duplication of the WaterFix files, to promote judicial economy, and to save significant time and resources of the parties and the Hearing Officers, the CSPA parties incorporate by reference the California Water Research motion and the documents, evidence and materials filed in support of its motion. See In re Estate of Dargie (1939) 33
Cal.App. 2d 148, 152 ("in the absence of restrictions imposed by statute or rules of court, facts alleged in other pleadings in the same case may be incorporated by reference in subsequent pleadings therein.")

For the reasons set forth therein, the motion filed by California Water Research should be granted.
