Re: The September 10 Ruling

Dear Hearing Officers:

The SDWA Parties herein join in the Motion For Reconsideration filed by the Local Agencies of the North Delta on September 11, 2018 in response to the Hearing Officer's ruling of September 10, 2018, the ("Ruling.") The SDWA Parties emphasize the impracticability of relying on the videos rather than actual transcripts when trying to accurately ascertain the specific cross examination testimony at issue and when citing to same. The SDWA Parties also request clarification concerning the first item of the Ruling pertaining to the administrative draft California WaterFix Supplemental EIR/EIS. The administrative draft is generally irrelevant at this juncture. To avoid confusion, the SDWA Parties, therefore, request the Ruling refer to the actual Draft EIR/EIS.

Thank you for your consideration of this request.

Very Truly Yours,
