Subject: Objection to DWR's last minute notice of Witness Unavailability

Dear Hearing Officer Tam Doduc,

Deirdre Des Jardins, principal at California Water Research ("California Water Research") hereby objects to the Department of Water Resources' last minute notice of witness unavailability. The Hearing Officers requested that scheduling notices be provided by noon on October 21, 2016. Save the California Delta Alliance requested an extension of time to submit a notice of witness unavailability.

The Department of Water Resources could and should have informed Paul Minasian, Esq., representing the San Joaquin River Exchange Contractors Water Authority, of the dates when Mr. Mraz would not be available, or if that information was not available on October 21, 2016, notified Mr. Minasian of when the information on Mr. Mraz' unavailability would be provided, so that Mr. Minasian could notify the Hearing Officers and other parties.

California Water Research hereby requests that the Hearing Officers ensure that this last minute notice not prejudice other parties.

Sincerely,

Deirdre Des Jardins

Principal, California Water Research
