**DESIGNATION OF TIM COLEY AS

(Exhibit: Antioch – 120)

The City of Antioch is designating Tim Coley as a potential percipient witness for the City of Antioch in this matter should Antioch primary witness Ron Bernal become unavailable for an extended length of time. Mr. Coley is the present Water Treatment Supervisor for the City overseeing the City’s water diversions, substitute water purchases, and water treatment. He has worked in water operations for the City since 1997. Mr. Coley holds several water related certifications including Water Treatment level 5 and Water Distribution level 4. Mr. Coley’s testimony would be substantially similar to the testimony of Antioch witness, Ron Bernal.
