Dear California WaterFix Hearing Officers, Staff, and All Parties:

Clifton Court L.P. Inadvertently submitted an exhibit that had not been used in cross-examination yesterday. Clifton Court L.P. therefore does not submit exhibit CCLP-71 into evidence. The CCLP exhibit identification list has been updated to only include exhibits CCLP-70 and CCLP-75 and is attached along with a statement of service. Sent in two batches.

Sincerely,

Suzanne Womack
