Byron, CA 94514

Dear Chief HEP Operators, John Wilson & Donna Estrada,

The State Water Project (SWP) pipe on State property, south bank of Clifton Court Forebay (CCF), is leaking. The pipe/s connect to our drainage system at Clifton Court, L.P. In addition the syphon breakers also need repair/replacement.

As you well know, all pipes and syphon breakers were designed and installed by SWP when the CCF was built in the late 1960's. We had no input as to the type of drainage system you built and maintain on your land. Our responsibility was to bring our drainage to the property line.

Your lack of maintenance is causing us problems. These problems need to be fixed.

Sincerely,

Suzanne Womack
