1 As per direction of the hearing officers, North Delta Cares herewith submits its index of
2 additional exhibits used on cross-examination during Part I case in chief. There is only one exhibit
3 listed, DWR-1 errata corrected, page 10. This exhibit was presented to the witness by Ms. Barbara
4 Daly during her cross-examination of John Bednarski on August 9, 2016, at approximately time
5 stamp 5:31 on the archived web video. The exhibit has already been offered into evidence by DWR
6 so North Delta Cares is not uploading it to the FTP site, but prefers for coherence to have it listed on
7 its exhibit list and moves for its admission into evidence. The exhibit index is attached and has been
8 uploaded to the FTP site.

10 Several other exhibits used during cross-examination have already been included in North
11 Delta Cares exhibit lists and are not duplicated here.
