Water Data Library

Use the map below to locate monitoring stations. You can find an area of interest if you zoom and pan the map. Quickly find an area searching for named features on a map such as the name of a city, park, landmark, lake, water feature, or zip code within California. Once at the area of interest, select the desired Site Type and click the "Refresh Map" button to show monitoring stations in the area. Additional searches by data type are possible by clicking the links on the left. For help on these and other ways to find your data [click here](#).

WDL STATION MAP

Location Search

To find monitoring stations for a specific area, enter the placename or zip code into the text box below then, click the "Search" button.

Site Type

Select the desired site type using the checkboxes, then click the "Refresh" button.

Groundwater Level

Water Quality
