Re: WaterFix Petition

Dear Hearing Officers Doduc and Marcus:

The Planning and Conservation League hereby submits and moves into the record the exhibits on the attachment for the California Water Fix proceeding. Both of the exhibits identified in the attachment were used by PCL during our cross examination of the witnesses presented by the California Department of Water Resources and the United States Bureau of Reclamation. Both exhibits were marked for identification at the time of that cross examination.

Also attached is our Certificate of Service.

Thank you for your attention to this matter.
