**USBR's Documented Violations of the Vernalis Standars (D-1422 and D-1485) for the years of 1987 through 1990. Data obtained by Patrick Porgans & Associates via a Freedom of Information Act request; unfortunately, the year 1991 and 1992 occurred after the FOIA request had been made. Both of those years resulted in hundreds of other SWB adopted standards and hundreds of violations of North Delta Water Agency Delta standards DWR is required to meet, via their 1981 Contract with NDWA.**
