WATER RIGHTS ASSOCIATED WITHIN THE LEGAL DELTA

www.swrcb.ca.gov/water_issues/programs/delta_watermaster/delta_map/

This interactive map displays **Appropriative** water rights (Permits and/or Licenses) and Statements of Water Diversion and Use water rights for islands/areas in the Legal Delta. Find water right information by clicking on a location dot on the map. Completed Island Summaries of Water Rights can be found on the Select a Delta Island or Area box on the right.

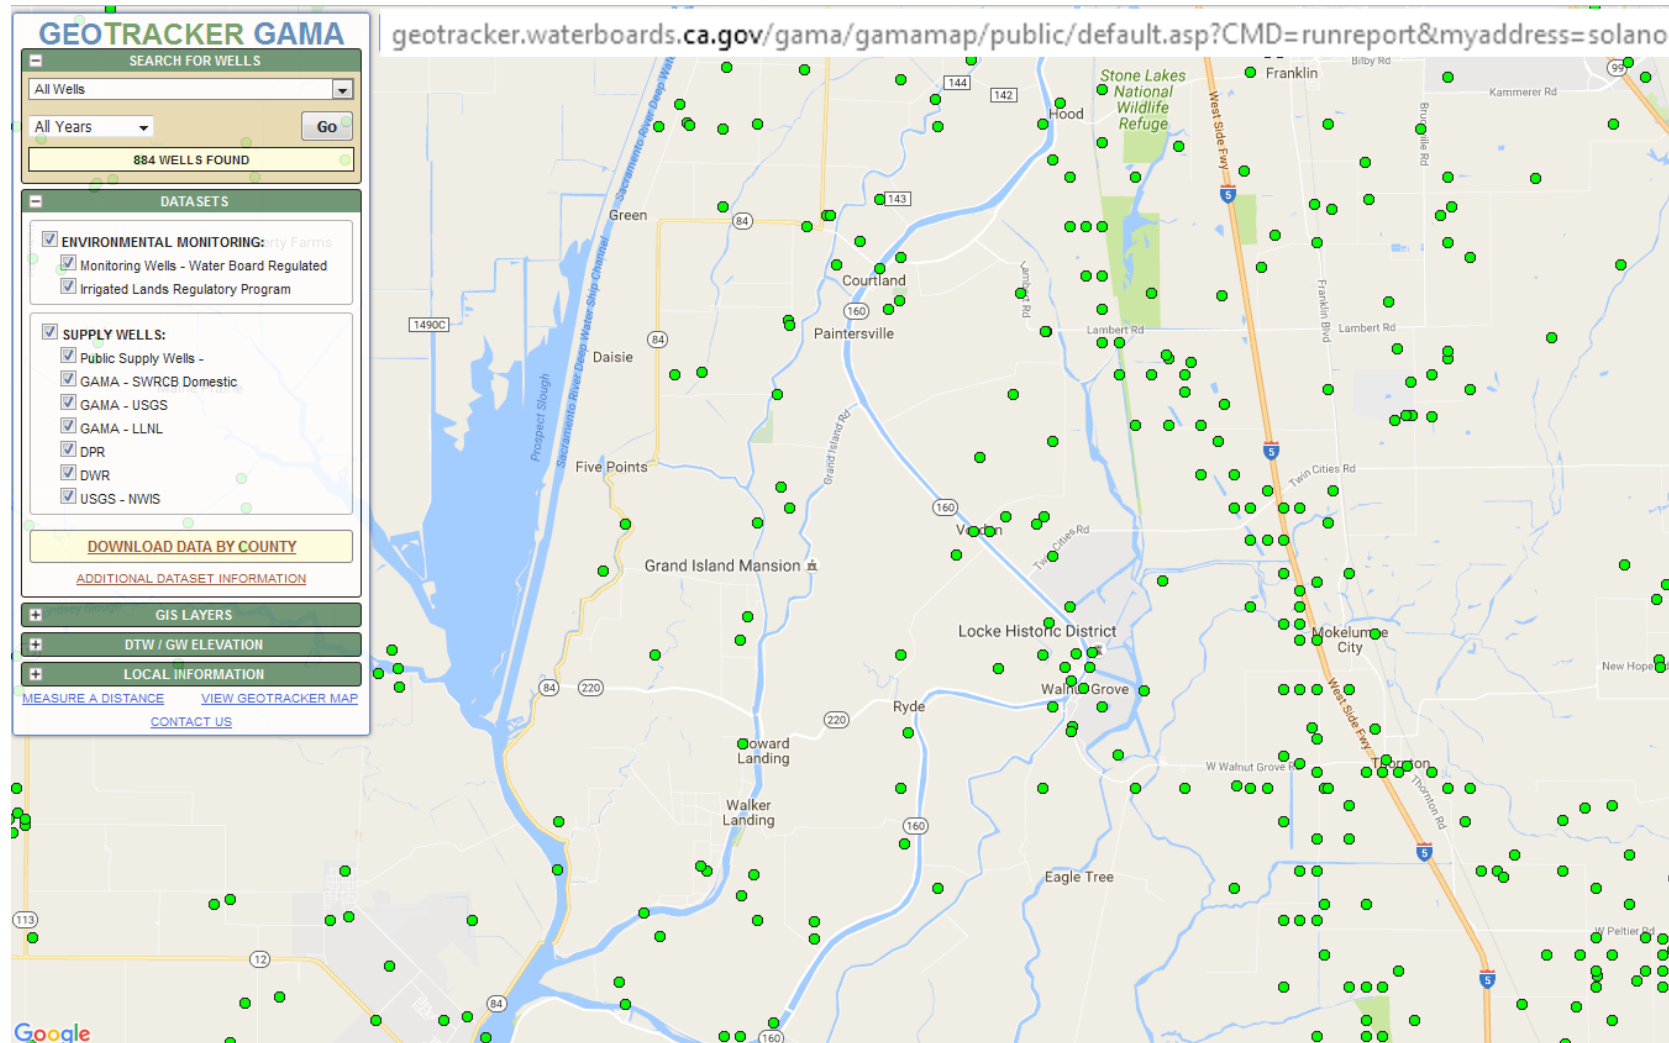

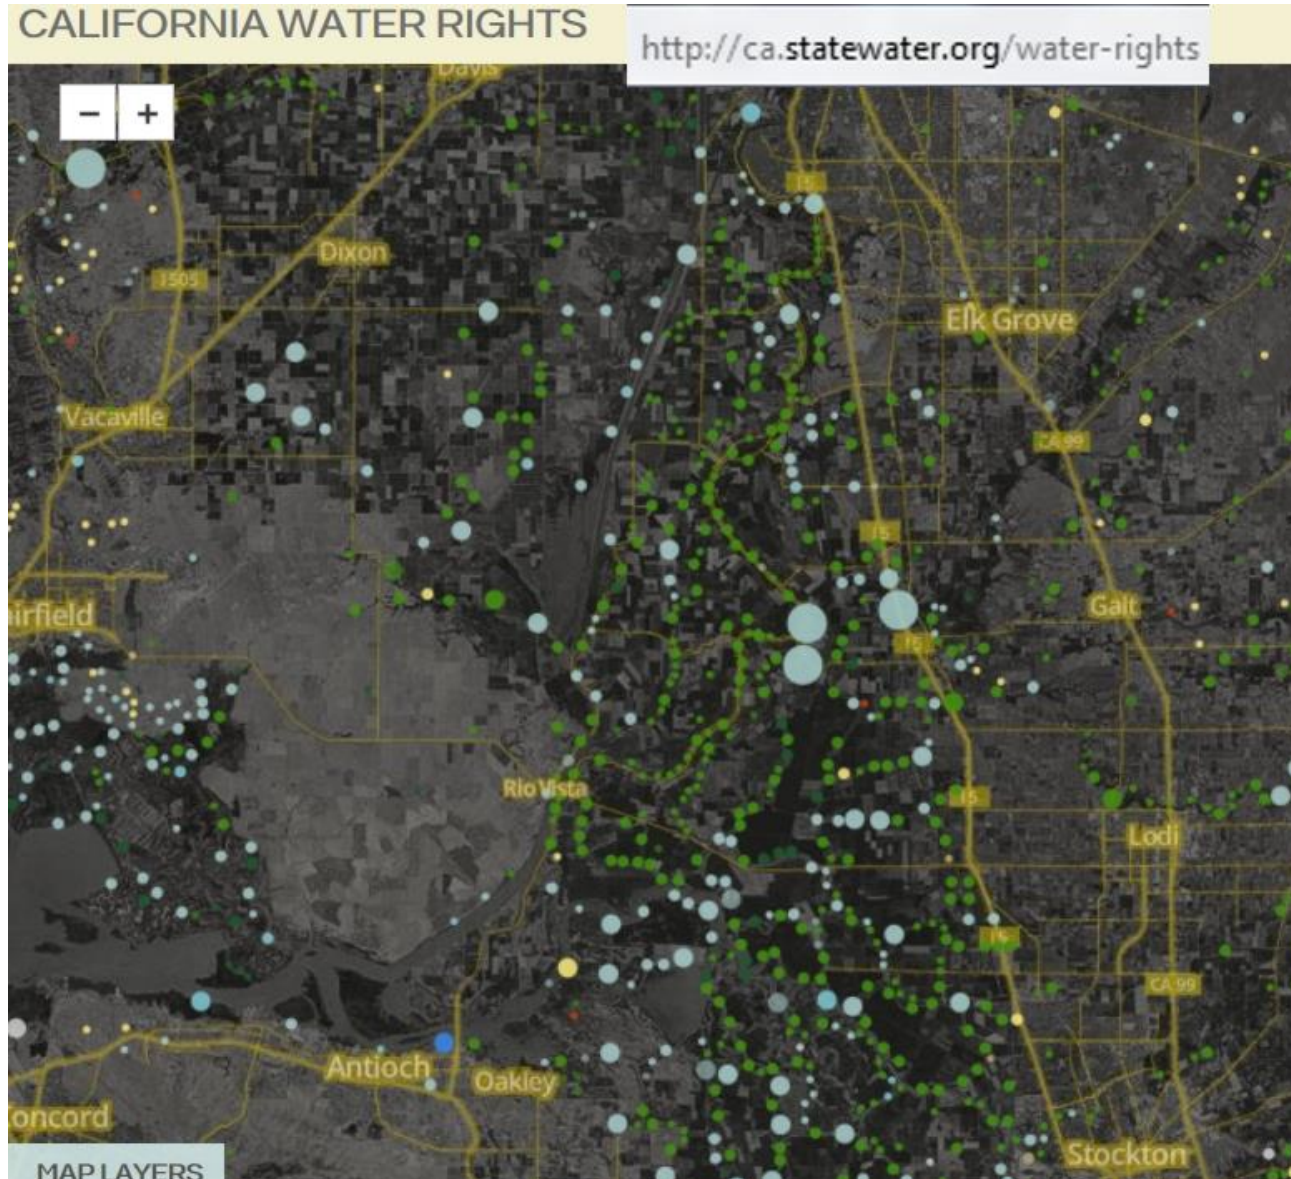

(Updated 12/17/14)

Is flow currently being managed in such a way as to protect drinking water rights In the Delta region?
