Re: Westlands Water District's Final Cross Examination Exhibit List and Offer of Exhibits into the Record

Dear Hearing Chair Doduc and Chair Marcus:

In accordance with the California WaterFix Hearing "Ruling on Submittal Deadlines, Rebuttal Process, and Scheduling," issued December 19, 2016, Westlands Water District submits its revised Part 1 cross examination exhibit list as Attachment 1. The original list included documents which the Hearing Officers had held to be outside the scope of Part 1; the current list and associated exhibits includes only those used for cross examination during Part 1. The listed exhibits on Attachment 1 have already been provided to and served on the State Water Resources Control Board and the other parties to this proceeding.

Westlands moves that all the listed exhibits on Attachment 1 be admitted to the record of this proceeding.

Sincerely,

A handwritten signature in blue ink, appearing to read "P. Williams".

Philip A. Williams
General Counsel
Westlands Water District
