Re: California WaterFix Hearing – Tehama-Colusa Canal Authority Exhibit List

Dear Hearing Chair Doduc and Hearing Co-Chair Marcus:

At the hearing on November 3, 2016, Hearing Chair Doduc directed that parties submit a written exhibit list when offering testimony and exhibits into evidence after the conclusion of their case in chief. Tehama-Colusa Canal Authority's testimony and exhibits were previously offered into evidence on October 26, 2016. At that time, Hearing Officer Doduc upheld San Luis & Delta-Mendota Water Authority's objection on relevancy grounds to only those portions of Mr. Sutton's testimony related to changes to Delta flow requirements. The remaining testimony and exhibits were admitted into evidence by Hearing Officer Doduc also on October 26, 2016.

The attached exhibit list is included for reference. There are no changes to the previously submitted exhibits and testimony.

Very truly yours,

DOWNEY BRAND LLP
