Re: California WaterFix Change Petition filed by DWR and Reclamation  
Withdrawal of Protest

Dear Chair Marcus and Member Doduc:

Bold, Polisner, Maddow, Nelson and Judson serves as General Counsel for the Contra Costa Water District ("CCWD") and is counsel of record for CCWD in the proceeding concerning the Change Petition filed by the California Department of Water Resources ("DWR") and the United States Bureau of Reclamation on August 25, 2015, and noticed by the State Water Resources Control Board on October 30, 2015. That Petition would, if granted, allow for changes in points of diversion and rediversion under various water rights required for the proposed California WaterFix project.

On January 5, 2016, CCWD filed a Protest to the Change Petition. CCWD and DWR have now executed an Agreement For Mitigation Of Impacts To CCWD From Construction And Operation Of Bay Delta Conservation Plan / California WaterFix. A copy of that agreement can be obtained online at: <http://www.ccwater.com/317/Bay-Delta-Conservation-Plan-Comments>.

As required by and pursuant to the agreement, CCWD hereby withdraws its Protest to the Change Petition, along with any and all materials submitted by CCWD in connection with said Protest.

Respectfully submitted,

Douglas E. Coty
